FISCAL YEAR 1995-96

AN ORDINANCE ENUMERATING POSITIONS IN THE ANNUAL BUDGET AND APPROPRIATION ORDINANCE FOR THE FISCAL YEAR ENDING JUNE 30, 1996, CONTINUING, CREATING OR ESTABLISHING THESE POSITIONS; ENUMERATING AND INCLUDING THEREIN ALL POSITIONS CREATED BY CHARTER OR STATE LAW FOR WHICH COMPENSATIONS ARE PAID FROM CITY AND COUNTY FUNDS AND APPROPRIATED IN THE ANNUAL APPROPRIATION ORDINANCE; AUTHORIZING APPOINTMENTS OR CONTINUATION OF APPOINTMENTS THERETO; SPECIFYING AND FIXING THE COMPENSATIONS AND WORK SCHEDULES THEREOF; AND AUTHORIZING APPOINTMENTS TO TEMPORARY POSITIONS AND FIXING COMPENSATIONS THEREFOR.

BE IT ORDAINED BY THE PEOPLE OF THE
CITY AND COUNTY OF SAN FRANCISCO.

SECTION 1. ESTABLISHMENT, CREATION AND CONTINUATION OF POSITIONS.

In accordance with the provisions of Section 6.207 of the Charter, the positions hereinafter enumerated under the respective departments are hereby created, established or continued for the fiscal year ending June 30, 1996. Positions created or authorized by charter or state law compensations for which are paid from City and County funds and appropriated in the annual appropriation ordinance are enumerated and included herein.

The word - position - or - positions - as used in the ordinance shall be construed to include - office - or - offices - and the word - employee - or employees - shall be construed to include - officer - or officers.

SECTION 1.1. APPOINTMENTS AND VACANCIES - PERMANENT POSITIONS.

Appointing officers as specified in the charter are hereby authorized, subject to the provisions of this ordinance, to make or continue appointments as needed during the fiscal year to permanent positions enumerated in their respective sections of this ordinance. Such appointments shall be made in accordance with the merit system provisions of the Charter. Appointing officers shall not make an appointment to a vacancy in a permanent position until the Mayor shall approve the requisition for such service as herein provided. Provided further that in order to prevent the stoppage of essential services the Civil Service Commission, under its rules, may authorize an emergency appointment pending approval or disapproval of the requisition by the Mayor, if funds are available to pay the compensation of such emergency appointee. The requisition for filling such positions shall be completed in quadruplicate, one copy to be retained by the department and the three remaining copies to be submitted immediately and simultaneously to the Controller, the Mayor and the Human Resources Department. If the requisition is approved by the Mayor within two working days after the date of receipt of the requisition, he shall promptly transmit it to the Human Resources Department. Unless within two such working days the Mayor informs the Human Resources Department that he will not approve the requisition or that the requisition is being held by the Mayor for further consideration, the Human Resources Department, upon certification of funds by the Controller, shall process the appointment. The Controller shall certify as to the availability of funds within two working days and shall promptly transmit the requisition to the Human Resources Department.

If it is not possible for the Controller to certify within a two day period, then the Controller shall so notify the Human Resources Department. Provided that if the proposed employment is for inter-departmental service, the Controller shall approve as to conformity with the following inter-departmental procedure. Appointing officers shall not authorize or permit employees to work in inter-departmental service unless the following provisions are complied with. The payment of compensation for the employment of persons in inter-departmental service shall be within the limit of the funds made available by certified inter-departmental work orders and such compensation shall be distributed to the inter-departmental work orders against which they constitute proper detailed charges.

- A. In the event the appointing officer is unable to employ a qualified person to cover the work schedule of a position herein established or authorized, the appointing officer, subject to the provisions of this ordinance and the appropriation ordinance and with the approval of the Human Resources Department, may at his/her discretion employ more than one person on a lesser work schedule but the combined salaries shall not exceed the compensation appropriated for the position, or may appoint one person on a combined work schedule but subject to the limitation of the appropriation and the compensation schedule for the position and without amendment to this ordinance.
- B. Where a vacancy exists in a position in a normally non-promotive classification or in a promotive class during such periods of time when promotional examinations for such class are being administered on a continuing basis, the Human Resources Director, may and is hereby authorized to certify to said vacant position an eligible from a list for a lower directly related class, provided that the Controller certifies that funds are available to fill said vacancy on this basis; and provided that no action taken as a result of the application of this section will affect the classification of the position concerned as established in the budget and annual salary ordinance and provided further that the provisions of this section shall be limited to classes specified by Human Resources Department action for which periodic or continuous recruiting is being carried on and for which no eligibles are available for appointment. At such time as an employee certified in a lower classification in accordance with the provisions of this section qualifies and is reached for appointment to the budgeted class, such position shall be automatically reinstated to the classification as included in the salary ordinance and the occupant shall be appointed thereto. If an employee certified to such lower classification in accordance with the provisions of this section does not qualify for appointment to the budgeted class within a period of two years from the date of appointment to the lower classification, then such employee shall be assigned or transferred to the first vacant budgeted position in the lower classification. Not more than 25 per cent of all positions in any one classification in any department shall be filled in a lower classification as set forth in this section.

Section 1.1A. An appointing officer, subject to the provisions of this ordinance, the annual appropriation ordinance, the Controller's certification of funds and Civil Service certification procedures may employ more than one person on a combined work schedule not to exceed the permanent full-time equivalent, or may combine the appropriations for more than one permanent part-time position in order to create a single full-time equivalent position limited to classifications of positions herein established or authorized and their respective compensation schedules. Such changes shall be reported to the Human Resources Department and the Controller's office. No full-time equivalent position which is occupied by an employee shall be reduced in hours without the voluntary consent of the employee, if any, holding that position. However, the combined salaries for part-time positions created shall not exceed the compensation appropriated for the full-time position, nor will the salary of a single full-time position created exceed the compensation appropriated for part-time positions. Each permanent part-time employee would receive the same benefits as existing permanent part-time employees. The funding of additional fringe benefit costs subject to availability of funds will be from any legally available funds.

Section 1.1B. The Human Resources Director is authorized to administratively amend this ordinance as follows:

- A. To change the classification of a position provided that the rate of pay is the same or less and the services are in the same functional area.
- B. To adjust the compensation of a position pursuant to a ratified Memorandum of Understanding or ordinance of the Board of Supervisors.
- C. To adjust the compensation of a position when the rate of pay for that position has been approved by the Board of Supervisors in a ratified Memorandum of Understanding or ordinance.
- D. To adjust the compensation of a position pursuant to a Memorandum of Understanding ratified by the Board of Supervisors with a recognized employee bargaining group.
- E. To amend the ordinance to reflect the initial rates of compensation for a newly established classification, excluding classes covered under Charter Sections 3.530 and 3.540.

The Controller, the Clerk of the Board, the Mayor's Office and the affected department(s) shall be immediately notified.

Section 1.1C. A position listed in this ordinance as temporary shall be filled following the issuance by the department of a temporary requisition in the classification designated in accordance with the provisions of section 1.1. The department is further permitted to request use of temporary salary funds for positions or classifications other than those listed herein, subject to the approval of the Human Resources Department, the Mayor's Office and the Controller.

SECTION 1.2. APPOINTMENTS-TEMPORARY POSITIONS.

Temporary appointments to positions defined by the rules of the Civil Service Commission as seasonal or temporary positions may be made by the respective appointing officers in excess of the number of permanent positions herein established or enumerated and such other temporary services as required at rates not in excess of salary schedules if funds have been appropriated and are available for such temporary service. Such appointments shall be made in accordance with the merit system provisions of the Charter. No appointment to such temporary or seasonal position shall be made until the Mayor shall approve the requisition for such service as herein provided. Provided further that in order to prevent the stoppage of essential services, the Civil Service Commission, under its rules, may authorize an emergency appointment pending approval or disapproval of the requisition by the Mayor, if funds are available to pay the compensation of such emergency appointee. The requisition for filling such positions shall be completed in quadruplicate, one copy to be retained by the department and the three remaining copies to be submitted immediately and simultaneously to the Controller, the Mayor and the Human Resources Department. If the requisition is approved by the Mayor within two working days after the date of receipt of the requisition, he shall promptly transmit it to the Human Resources Department. Unless within two such working days the Mayor informs the Human Resources Department that he will not approve the requisition or that the requisition is being held by the Mayor for further consideration, the Human Resources Department, upon certification of funds by the Controller, shall process the appointment. The Controller shall certify as to the availability of funds within two working days and shall promptly transmit the requisition to the Human Resources Department. If it is not possible for the Controller to certify within a two day period, then the Controller shall so notify the Human Resources Department. No such appointment shall continue beyond the period for which the Controller has certified the availability of funds. Provided that if the proposed employment is for inter-departmental service, the Controller shall approve as to conformity with the following inter-departmental procedure. Appointing officers shall not authorize or permit employees to work in inter-departmental service unless the following provisions are complied with. The payment of compensation for the employment of persons in inter-departmental service shall be within the limit of the funds made available by certified inter-departmental work orders and such compensation shall be distributed to the inter-departmental work orders against which they constitute proper detailed charges.

Section 1.2A. Temporary Assignment, Different Department. When the needs and the best interests of the City and County of San Francisco require, appointing officers are authorized to arrange among themselves the assignment of personnel from one department to another department on a temporary basis. Such temporary assignments shall not be treated as transfers, and may be used for the alleviation of temporary seasonal peak-load situations, the completion of specific projects, or other circumstances in which employees from one department can be effectively used on a temporary basis in another department. All such temporary assignments between departments must be approved by the Human Resources Department.

SECTION 1.3. EXCEPTIONS TO NORMAL WORK SCHEDULES FOR WHICH NO EXTRA COMPENSATION IS AUTHORIZED.

Occupants of the position specified by symbol -Z- shall work such hours as may be necessary for the full and proper performance of their duties and shall receive no additional compensation for work on holidays or in excess of eight hours per day for five days per week, but may be granted compensatory time off under the provisions of ratified applicable Memorandum of Understanding or an ordinance, provided that subject to fiscal provisions of the Charter, the provisions of this section may be suspended for a specified period of time to allow overtime payment subject to availability of funds and pursuant to approval of the Director of Human Resources.

Section 1.3A. Work Performed Under Contract And Compensation Therefor. In the execution and performance of any contract awarded to a city department under the provisions of Sections 7.200 and 7.204 of the Charter the rates fixed herein shall not apply to employments engaged therein, and in lieu thereof not less than the highest general prevailing rate of wages in private employment for similar work, as fixed by a resolution of the Board of Supervisors and in effect at the time of the award of said contract, shall be paid to employees performing work under such contract.

Section 1.3B. Maximum Rate For Part-time Service. As provided in Section 8.300 of the Charter the maximum rate effective July 1, 1995 for inmate help or student nurses or part time service shall not exceed seven hundred and sixty eight dollars (\$768) per month, including the value of any allowance.

Section 1.3C. Charges and Deductions for Maintenance. The compensations fixed herein for all employees whose compensations are subject to the provisions of Section 8.400 of the Charter and including also those engaged in construction work outside the City and County of San Francisco, are gross compensations and include the valuation of maintenance provided such employees. Charges and deductions therefor for any and all maintenance furnished and accepted by employees shall be made and indicated on timerolls and payrolls in accordance with the following schedule of charges. Provided, however, that no charge shall be made for meals furnished cooks, bakers, waiters, waitresses, and other kitchen workers while on duty, and that the City shall provide breakfast, dinner, and midnight meals to interns and residents when they are working in the hospital, and shall provide weekend lunches to interns and residents when they are working weekends on call (the Department may require such interns and residents to provide proof of eligibility for such meals upon request), and provided further that employees of the Hetch Hetchy Project and Camp Mather who are temporarily assigned to perform duties for a period in excess of a normal work day away from the headquarters to which the employees are normally and permanently assigned, shall not be charged for board and lodging at the Headquarters to which they are temporarily assigned.
